O R D E R:

In the G.O. 1st read above, Government had introduced New Pension Scheme (CPS) to the A.P. State Government employees who were appointed on or after 1-9-2004. In the New Pension scheme each employee shall pay a monthly contribution of 10% basic pay + DA from his salary and the Government will contribute an equal amount as its share.

2. Government have reviewed the progress of the implementation of New Pension Scheme (Contributory Pension Scheme) and issued instructions to the DTA/PAO, Hyderabad to complete the uploading

process of the data relating to the contributions to the individual accounts of the employees concerned for legacy period i.e. from 01-09-2004 to 31-3-2011 in a time bound manner.

3. In the reference 4th read above, the Director of Treasuries and Accounts has informed that on appointment as Liaison Officer to coordinate the work related to New Pension Scheme (CPS) with PFRDA & Central Record Keeping Agency (CRA) and other entities vide reference 2nd read above, he has entered into an agreement with NSDL, Mumbai (CRA) and NPS Trust on behalf of the Government of Andhra Pradesh. As per the norms of NSDL, all the subscribers / employees, DDOs, DTOs/STOs/ PAOs and DTA have to be registered with NSDL by submitting SI., N3, N2, N1 forms respectively. So far the registration of Nodal Officers (i.e. DDOs, DTO, DTA) has been completed. At present, 86,233 employees have been registered for PRAN with the NSDL. Still, considerable number of employees are to be registered.

4. The Director of Treasuries and Accounts has further informed that the CPS amounts already recovered from the employees and the Government contributions from 01-09-2004 to 31-03-2011 have to be transferred to the individual accounts of employees. The said data has to be obtained from the DDOs concerned and same should be verified with the monthly accounts of the Treasuries for assessing the correctness of the legacy data. After verification of legacy data, the data sheets should be prepared in hard copies as well as soft copies in a manner prescribed by the NSDL. The Department is now facing a problem of shortage of staff. As a result, the preparation of the legacy data is getting delayed. In order to perform this task, the DTA has proposed to take the services of the (394) retired treasury employees who have vast practical experience and knowledge in Auditing and Accounts, for a period of one year, as they can handle this smoothly and effectively with their accounts expertise.

5. The Hon'ble Lokayukta in their order dt.1.12.2010 in Complaint No.1703/2010/B1 has directed the Government to see that the uploading of the CPS contributions be completed to the individual accounts of the subscribers and submit a report as to the final amounts handed over to the Trust for management giving the particulars of the contributions as well as the components of interest paid to them.

6. Government after careful consideration of the matter hereby permit the Director of Treasuries and Accounts to utilize the services of (394) retired treasury/Accounts employees who have worked as Sr. Accountants and above categories and having practical experience and knowledge in Auditing and Accounts, for a period of one year on contract basis by paying a remuneration of Rs.8,400/- per month in terms of G.O.Ms.No.3, Finance (SMPC-II) Department, dt. 12.01.2011, by following outsourcing guidelines scrupulously, for early completion of the task of collecting the data relating to the contributions recovered from the employees covered under New Pension Scheme (CPS) from 01-09-2004 to 31-03-2011 from the DDOs concerned and completing the process of uploading the contributions of both the subscribers and as well as the Government to their individual accounts.
